

Wellness Committee Meeting: 10/17/16

Attendees: Donna Reynolds, Leslie Barry, Ann Lanney, Beth Richards, Michelle Smith

The group reviewed the Wellness Policy draft that Leslie Barry had compiled from the New Hampshire School Board Association Policy and 4 other district policies. We discussed following the format of the NH School Board Policy.

Beth suggested that we structure the policy in order to give equal weight to the physical fitness and nutrition pieces, as it was currently top heavy on nutrition. She also suggested having a separate section for fundraising, school celebrations.

The group agreed that Leslie and Donna would work on a revised draft for the committee and Superintendent Forsten to review before presenting to the Communication and Policy Committee on Monday October 24th.

Next Meeting was TBD.
