Board President Jennifer Patterson called the meeting to order at 5:30 p.m. This was a non-public meeting of the full Board. As this was an emergency meeting to be conducted remotely, with no physical location, Ms. Patterson read the following statement into the record:

As President of the Concord School Board, I find that due to the state of emergency declared by the Governor as a result of the Covid-19 pandemic and in accordance with the Governor’s Emergency Order #12 pursuant to Executive Order 2020-04, this public body is authorized to meet electronically.

The business we intend to conduct today is necessary due to the need to hire a permanent Superintendent for the District, and the need to appropriately modify the process for doing this so as to ensure that there is ample and appropriate opportunity for the public to meet the candidates. The purpose of today’s meeting is for the Board to have a preliminary conversation, in non-public session, with the candidates selected by the screening committee, about how best to conduct the finalist consideration process going forward in light of the Covid-19 emergency, in a manner that is fair and appropriate for the Concord community and the candidates’ current districts.

Please note that there is no physical location to observe and listen contemporaneously to this meeting. Because this is a non-public meeting, we are not providing public access; however, it is our intention to post minutes immediately after the meeting so the public will be aware of the nature of the meeting and the process that will be followed for the next phase of the Superintendent selection process, without disclosing any confidential matters (i.e. names of finalists). The meeting was posted on the District website [sau8.org] in accordance with RSA 91-A.
