

Concord School District Policy #600
School District Goals

The primary responsibility of the Board of Education is to provide educational programs and services to meet the intellectual, social and physical needs of the students of Concord. To accomplish this responsibility, the Board will strive to:

1. Offer instructional programs and services which enables each student to develop to his or her full potential.
2. Provide a systematic process for the review, evaluation, and approval of the instructional programs and services.
3. Ensure the opportunity of students, staff and community to participate in identifying educational goals and developing instructional programs.
4. Provide staff development opportunities that are related to the instructional programs.
5. Make efficient use of district resources in providing educational opportunities and programs.
