

**Concord School District Policy #603**  
**Program Evaluation and Review**

It is a goal of the Concord School District to have regular evaluation of its curriculum, programs and services.

Each of the following areas will be reviewed at least once every five years:

Language Arts K-12	Transportation
Mathematics K-12	Food Service
Science K-12	Maintenance and Custodial Services
Social Studies K-12	Mentoring Program
World Languages K-12	Technology Education
Arts K-12 12	Vocational Technology Education
Community Education	Business and Life Studies
Special Education	Preschool Programs
Physical Education and Health	Transition Programs
Guidance and Health Services	Co-Curricular Programs
Library Media Program	

The program evaluation will consist of a report to the Board of Education including any or all of the following:

- Program goals
- Program history
- Target population
- Program resources
- Overlaps and gaps with other school and community programs
- Program impact on students
- Strengths and weaknesses
- Recommendations for program changes

A plan for implementing changes for program improvement including a timeline, budget and outline of persons responsible will be presented to the Board.

The program staff will submit regular follow-up reports to the Superintendent, who will report to the Board at least annually.
