

## **Concord School District Policy #671.1**

### **Early Admission to College**

Exceptionally well-qualified students who have not fulfilled the required credits necessary for graduation but who have been accepted to a college early admission program, will be allowed to enroll in said program with the understanding that the building principal and guidance counselor recommend early admission.

It is further understood that the college will provide a program that allows the student to complete a course/s for college and high school credit. Upon notification from the college that the student in question has completed the necessary course/s for high school credit, the high school will grant a high school diploma.

Adopted March 1984

Revised February 1986
