

Concord School District Policy #753
Tobacco Use on School Premises

In accordance with NH Chapter 338 of the New Hampshire Revised Statutes, no person shall use any tobacco product in any public school facility or on school grounds of any public school facility in the Concord School District. The date for this policy to take effect is January 1, 1998.

School facilities and school grounds are defined as property owned by the school district or under control of the school district. This policy will be enforced by school officials wherever and whenever practicable under the law.

Adopted December, 1990
Revised January 5, 1998
