

Concord School District Policy #756
Playground Safety

The superintendent will supervise a playground safety program in all elementary schools in the district. The program will include the following components:

1. There will be a sufficient number of adult supervisors during any school day recreation period. The ratio of adult supervisors to students will be 1:50 (primary), 1:75 (upper elementary).
2. Adult supervisors will have training in the proper use of playground equipment and management of student behavior, including conflict resolution skills.
3. Principals will establish, publish, and regularly review expectations for student behavior, consistent with the district's Code of Student Conduct policy.
4. Playground equipment will be regularly inspected and repaired as needed.
5. Playground surface areas will be regularly inspected and maintained as needed.
