

Concord School District Policy #890

Designated Volunteers

Concord School District recognizes the valuable contribution made to the total school program through the volunteer assistance of parents and other citizens.

The Superintendent or his/her designee is responsible for development and implementation of procedures for the selection and utilization of volunteers.

Individuals wishing to become designated volunteers will be required to undergo a criminal records check and will be denied the opportunity to serve as a volunteer if he/she has been convicted of any of the violations or attempted violations listed in RSA 189:13-a, as amended. The criminal records check is described more fully in District Policy #462 entitled "Criminal Records Checks."

"Designated volunteers" means any volunteer who has responsibilities requiring the volunteer to be with students out of the presence of a Concord School District staff member in a non-public setting.
