

**SEE SOMETHING  
SAY SOMETHING**

*Report threats, abuse, bullying and more, anonymously.*

## Student Quick Tip Protocol

We strongly encourage students to find an adult in the building with whom they feel comfortable to talk to if they are concerned about something happening in school. Quick Tip is designed to help students report unsafe behavior to adults when the student is uncomfortable coming forward in person with information.

## Quick Tip Reporting Guidelines

1. If this is an **emergency call 911**:
  - a. Potential for harm to self or others
  - b. Concern involving weapons
2. Quick Tips will be checked each school day.
3. Issues that require more immediate attention should be reported directly to a staff member.
4. Reporting can be anonymous, unless you would like the school to contact you regarding this incident.
5. False reporting is strictly prohibited! All information received by the school may be passed on to law enforcement. False Reports to Law Enforcement are punishable under NH RSA 641:4.

## Categories of Reporting

- Sexual Assault ●Sexual Harassment ●Suicide Threat ●Threats
- Violence/Assault ●Weapons ●Other
